# Ideal AP60 Pro

Professional Air Purifier

## Features

- Control in an intuitive and comfortable way. Functions: on / off, auto / manual / turbo, timer, night mode.
- The current quality of the indoor air is indicated by color-coded 3-level RGB LED. It is also suitable as a night light.
- Monitors the air quality with a fine dust sensor, gas and odor sensor - for perfect indoor air in auto mode.
- The high performing 360° filter consists of a fine mesh prefilter, true HEPA filter, and Active Carbon filter. Equipped with RFID intelligence for a comfortable filter change.
- Comfort functions also available with the remote control such as: start timer / stop timer, child lock, and night mode.
- The powerful “made in Germany” motor & fan combination is designed for continuous operation. The AP60 Pro is the quietest air purifier in the market at 16.5 dB.
