Challenge JF

Single Spindle Paper Drill

Features

- 2" Drilling Capacity: Drills up to 2" lifts of stock in a single stroke
- 13 Hollow Drill Bit Sizes: Hole sizes range from 1/8" to 1/2" diameters
- Auto - Trip Side Guide: For multiple hole patterns, the versatile backgauge offers up to four adjustable stop locations (additional adjustable stops sold separately). The auto-trip feature automatically releases the paper guide to advance to the next stop setting upon the completion of each stroke cycle
- Adjustable Margins: Thumb screws easily lock the backgauge to the drill table. To adjust your margins simply loosen the screws and line up the gauge with the dual scales located on the drill table. Hole locations can be drilled up to a 4" margin from the edge of the paper

Actual size of holes; purple indicates sizes available in 2 1/2" length
