Spinnit FM-2 Single Spindle Paper Drill

MADRFM2

The Spinnit FM-2 is an economical heavy duty floor standing paper drill that is designed to drill one hole at a time in a stack of paper up to 2" thick. This paper drill is an excellent choice for organizations that need to drill custom hole patterns. It offers incredible flexibility and ease of use. The FM-2 features a manual foot pedal operation that gives you full control over the drilling speed of the unit. The E-Z Glide table system uses pattern bars which allow for quick movement from hole to hole for multi-hole drilling.

Adjustable Head Design

Multiple drill heads available to fit your various needs.
