Spinnit FMMH-3 3-Spindle Hydraulic Paper Drill

MADRFMMH-3

The Spinnit FMMH-3 Hydraulic Three Spindle Paper Drill is a heavy duty floor standing drill that is designed for production environments and print shops. The FMMH-3 provides a fully automatic hole drilling with a 2" capacity. It is operated by a powerful hydraulic lift that is activated using a foot pedal control. This drill is easy to set up, easy to adjust and easy to operate.

Adjustable Head Design

Cornering, slitting and slotting option attachments are also available.
