## **Fotomount F46E**

MAF32

Fastbind FotoMount F46e is an electric large format photo album binding machine using the pioneering Fastbind Mountinglift system. With the exceptionally precise Mountinglift, you make professional deluxe photo album faster and easier than ever before. All movements of the Mountinglift are operated with a foot pedal.

### **Custom Photo Books**

Using photo paper, card stock or any laminated print, produce albums from 2" x 2" to 18" x 18" and achieve an edge to edge panoramic view on each page. The book cover can be digitally printed or custom made.

Photobook Machine

## Features

- Flexibility and Quality. Using photographic paper, card, laminated material or any print for your pictures, you can produce any book format from 2" x 2" up to 18" x 18" and you achieve an edge-to-edge panoramic view on each page. The book cover can be either a standard cover or a digitally printed custom made cover. In a matter of minutes you can create a beautiful, professional photo album yourself, saving time and adding more profit to your bottom line
- For Photographic Professionals and Digital Printers. The Fastbind FotoMount F46e is a superior solution, designed specifically with the photographic studio, photo lab and professional photographer in mind. It also perfectly meets the needs of digital printers, copy shops and on-demand publishers who can offer premium photo albums to their customers
