MBM 508A Automatic Folder

MAFO508A

The MBM 508A automatic 3 roller friction feed system is pre-programmed with 36 standard folds and will store up to 24 custom folds in memory. Features paper feed pressure and separator pressure adjustment. The Color LCD touch screen control panel includes 4 digit addition / subtraction digital counter. 508A Automatically senses and displays paper size. Automatic conveyor ensures smooth ejection of folded paper. Single sheet feeding automatically maintained for different weights of paper. Auxiliary paper guide for cross folding.

Pressure Adjustments

Paper feed pressure adjustment helps the machine to feed a wider range of stocks. The separator pressure adjustment prevents double feeds.
