## Features

The 320ATS EVA perfect binder features a 5" color touchscreen, large glue pot with applicator roller, disk application side glue, padding mode and book block glue trap setting. Other features include a 12 tooth milling cutter with 2 notching blades for excellent spine preparation, fully automatic clamping, built in dust extraction and more.

- Milling and notching blades are housed beneath safety covers to ensure operator safety
- Hot melt glue is applied to the spine and side by a rotating applicator drum
- A scraper bar ensures that a smooth and uniform thickness of glue is always applied
- Nip dwell time can be adjusted to ensure professional looking finished pieces
- Touchscreen controls for unparalleled ease of operation
- Independent lead and tail nipping pressure adjustments with digital readout

## SPECS
