Graphic Whizard 320 B Perfect Binder

MAFSGW320B

The Graphic Whizard 320 B entry-level perfect binding system is easy to use and provides consistent professional quality products for short to medium run solutions. With a durable build and features included standard that are normally found on more expensive units the 320B is an affordable and efficient solution for your perfect binding needs.

Perfect Binding

Perfect Binding is a widely used soft cover book binding method. With this binding method, the pages and cover are glued together at the spine with a strong yet flexible thermal glue.

Perfect Binder

Features

- Clamp opens and closes with the single press of a button
- Notching blades are housed beneath safety covers so that they are not exposed to the operator
- Hot melt glue is applied to the spine by a rotating application drum
- A scraper bar ensures that a smooth and uniform thickness of glue is always applied
- Nip dwell time can be adjusted to ensure professional looking finished pieces are produced every time
