

## BCS 210 Business Card Slitter

Enjoy perfect cuts with a 10up format and create a finished product in just 2 passes. A continuous feed slitter that accommodates different types of material thickness and adjustable feed to increase productivity BCS 210 Business Card Slitter: The Perfect Finish.

### Why Choose Southwest Business

Each customer has access to a service technician who provides on-call technical support to ensure our equipment consistently delivers the quality you need.

### Increased Productivity and Cost Benefits

- Cuts 8.5"x11" sheets into two strips of 3.5"x11" on the first pass and finishes the job by taking the 5up sheets and cutting them down to 2"x3.5" cards

### Time Saving Efficiency

- Creates up to 375 cards per minute
- Continuous feeding of stacks up to 5/8" thick

### Easy-To-Use Functionality

- Adjustable paper guides allow for easy set up for customized needs

### Guaranteed Quality & Safety

- Cutting blades are semi-self sharpening to allow for years of operation without sharpening or replacement
