Martin Yale 18 Manual Creaser CR818

MAMYCR818

The Martin Yale CR818 Creaser has a maximum creasing width of 18". Bar & channel gives a straight and consistent crease across the full length of the sheet. Aligning your sheets are made easy with the moveable twin stoppers. The Martin Yale CR818 is ideal for creasing short-run digital printed coated stocks. This creaser is lightweight enough to easily move and store off any work surface.

Aluminum Paper Guides

Use the paper guides/stops to secure your documents firmly in position for a more accurate crease every time.
