## **Challenge Paddy Wagon**

MAPADWAG

The Challenge Paddy Wagon is a well proven product that is the answer to all your padding needs. Forget using home made padding presses or weights and boards!! With a capacity of 15,000 sheets of 20lb bond the Paddy Wagon makes short work of padding. Because the Paddy Wagon is on wheels it allows you to make your pads and then place to one side for drying.

### **Easy Hand Operation**

Simple operation makes it easy to handle most jobs

## Features

- High Capacity: Holds up to 31" of paper for production padding environments
- Simple 1-2-3 Operation: Ease of operations turns padding service into a value-added profit center
- Tilt & Load: With the double doors locked, tilt the PADDY WAGON back. The 30 Degrees table slant allows gravity to do all the work of aligning stock and keeping it square. Load up to 15,000 8 1/2" x 11" sheets of 20 lb bond - even more with smaller sheets
- Clamp: After loading is complete, aligned stacks are clamped in just seconds. Place the clamping bar on top or your paper, slide the self-locking, quick-release clamps down to the bar and tighten the screws
- Tilt & Pad: Tilt the PADDY WAGON back to the upright position, lift the doors to unlock and swing them open for complete access to your padding surface
