HB-24 Plastic Binding Hand Binder

MAPBHB24

The HB-24 Manual Hand Binder is a heavy duty all plastic comb binding opener ideal for daily applications and high volume production. Its 14" length allows for binding legal sized and can open combs from 3/16" up to 2" diameter.

Increased Productivity

The HB-24 is for users who already have an electric punch and are looking to increase productivity by allowing one user to punch while another binds.
