Coil Binding System 3000 Electric Punch & Crimper

MAPK3000

The Rhin-O-Tuff Coil Binding System 3000 is the world's first desktop coil binding machine that combines electric punching, coil insertion and crimping into a compact, modern design perfect of all office and small print shop environments. Intuitive controls provide a simple way for today's professionals to turn loose pages into impressive looking documents in three easy steps.

Compatibility Features

The Rhin-O-Tuff 3000 is compatible with nearly all brands of coil bindings. It punches, inserts and crimps coil booklets from 6mm to 50MM (440 sheets) without tools or separate machines.
