Plastic Coil Combo CoilMac ECI+ 4:1

MAPKCOILMACEO

The CoilMac Binding System by Akiles is a Manual Punch/Electric Coil Inserting system. Easy to use, it will punch up to 17-sheets at a time utilizing the 4 to 1 coil oval punch die. The Electric Coil Inserter is activated by a foot-switch making coil insertion fast and easy. With the most complete system of functions and a built-in electric coil inserter, the CoilMac-ECI is in a class all to itself. It makes coil binding fast, easy and professional, making it the ideal partner for larger volume workloads.

Combo System

The CoilMac-ECI 4:1 has punch & bind in one unit decreasing the amount of equipment purchases, and punches up to 15-20 sheets.
