Crimp@Coil 2-Sided Electric Coil Crimper

MAPKCRIMPACOIL

The Akiles Crimp@Coil double-sided electric coil crimper is designed to speed up the coil binding process for your organization. In fact, the Akiles Crimp@Coil is an easy to use electric coil crimper that cuts & crimps both sides of your document at the same time. Unlike any other automatic coil crimper on the market, the Akiles Crimp-A-Coil can handle coil that is between 6mm and 50mm without having to change any parts or install a new set of crimping dies.

Double-Sided Coil Crimpers

The Akiles Crimp@Coil has electric Double-Sided Coil Crimpers with adjustable knives so to avoid manual coil crimping process and improve productivity. It is an ideal solution for high volume binding facilities and in-plant print facilities.
