## Plastic Coil Finish-A-Coil E1

MAPKFINACOILE1

Finish@Coil E1 is one of the most easy-to-use coil finisher that you can find in the market today. It is designed with one goal in mind providing the maximum productivity & best results while requiring minimum efforts from the operator. Furthermore, the built-in electric coil crimper will make your coil binding experience easier and faster than ever. Forget about using the cumbersome manual coil crimper that tires your wrist. With the Finish@Coil E1, you will easily & quickly crimp off the excess coil in your book with a simple press of foot pedal.

### Adjustable Roller Mechanism

Adjustable bottom roller makes it easy to insert coils of different sizes, even the extra-large ones.
