Pro-Bind 2000 Thermal Binding Machine

MAPROBIND2000

The Pro-Bind 2000 is sure to exceed all your expectations for a desk top perfect-binding system. The desktop 18 gauge steel perfect-binding machine weighs approximately 10 pounds and is built to last. It is able to bind from a 1/16" to a 2" spine capacity with the push of a button. There is no waiting for the Pro-Bind 2000 to warm up. The cycle time is 30 seconds for Soft Cover Thermal Binders and 60 seconds for Hard Cover Thermal Binders.

Easy to Use

Creates professional documents in a quick and easy fashion. Ideal for the office environment, the Pro-Bind 2000 provides you with a way to create durable and attractive bound presentations/reports.
