Akiles Diamond-6 Corner Rounder

MARCD-6

The Akiles Diamond-6 Electric Corner Rounding machine is the ideal machine for the high-demand and heavy-duty jobs required by large industrial operations. Carefully crafted with an all-metal construction, heavy-duty motor, and with the ability to easily work with all standard materials like PVC, polyester, leather, paper, and more.

Shear Cutting Action

Specifically designed to cut through multiple sheets at a time with the least effort and with minimum die depreciation.
