## Graphic Whizard PT-CR607 Corner Rounder

MARCPTCR607

The Graphic Whizard PT-CR607 Corner Rounder can handle up to 600 sheets of paper at once, taking sharp corners off and leaving perfectly round edges behind. With seven available dies from the built in rotary carousel, you can quickly and easily create custom jobs, to suit your needs. The large work table and the built-in scrap box are both very practical, while the protective safety covers will bring more peace of mind.

### Shear Cutting Action

Specifically designed to cut through multiple sheets at a time with the least effort and with minimum die depreciation.
