RSL 2702S Hot / Cold Laminator

MARL2702S

The RSL-2702S is a 27" wide format roll laminator in a compact tabletop design. Great for both hot and cold lamination, encapsulating and mounting up to 3/16" thick. The RSL-2702S features digital controls, independently heated silicone rollers and multiple set-up memory channels. 9 memory channels save the most often used settings into memory for quick access.

Features decurling
bar for single-side
laminating
