Triumph Speedcut 56 Paper Cutter

MARL56SP

Next-generation programmable hydraulic powered paper cutter. Increase efficiency and productivity by working smarter. With IR light beam safety curtain and hydraulic clamp drive. Optional Speedcut software for automating cutting programs.

Achieve expert-level cutting results effortlessly, saving you both time and money.

Precision Drive

The manual fine adjustment of the backgauge ensures maximum precision – user-friendly via the ergonomic control element at the front of the machine.
