## Triumph Speedcut 68 Paper Cutter

MARL68SP

A next-generation programmable hydraulic paper cutter designed for smarter, more efficient work. It features an IR light-beam safety curtain and hydraulic clamp drive, with optional Speedcut software for automated cutting programs. The Triumph Speedcut 68 LT offers front and rear air tables, available by special order.

### 15.6" Multi-touch Display

Intuitive software with comprehensive features and operation via touch and swipe gestures, and clear main screen with intelligently split display.
