ALM 3222 Fully Automatic Laminator

MARLALM3222

The ALM 3222 is the next generation, fully automated 1 to 2 sided digital print laminator that will do up to 13" x 19" sheets. Ultra quick warm up. Automatically feeds up to 200 sheets and will laminate and trim in one pass.

Easy to Use

Lamination keeps all your important documents looking great for years to come. With over 10 different films we have the supplies to finish any job.
