Sigmont 65H 65" Cold with Heat Assist Laminator

MARLSIG65H

Royal Sovereign's next generation of Heat Assist Laminator is available in 65 inch width. With cutting edge features such as lightening speed, high grade rollers, rear remote and slitters, the Sigmont series laminators are in a class of their own.

Limitless Finishing Solutions

The 2" nip roller allows laminating and gluing to substrates up to 2" thick. Combine this laminator with your large format inkjet printer and you are ready to provide limitless finishing solutions.
