SOLO 55" Cold Laminator

MARLSOLO55

The Solo 55" cold laminator is so easy to use, it becomes a one person finishing system. It costs thousands of dollars less than other laminators on the market. It provides you with the essential features found on more expensive models which include: Top and bottom nip rollers covered with hard silicone, Automatic take up shaft and can Accommodates boards up to 1/2" thick (can be made for 1" thick boards upon request).

Mounting Prints to Boards

Solo makes mounting prints to boards fast and easy. It can also apply adhesive to your boards from a roll.
