Tamerica TCC-2700 27" Laminator

MARLTCC2700

The Tamerica TCC-2700 is a fast, easy to use thermal roll laminator. This laminator features heated rollers that assure controlled, smooth even lamination without wrinkle or curl. This laminator uses film up to 27" wide, and delivers high quality lamination. The TCC-2700 is the easiest, safest, and most reliable roll laminator on the market.

Dual Temperature Control

Achieve a flawless lamination finish with heated rollers and two pre-set temperature options, perfectly calibrated for 1.5mil to 5mil film thicknesses.
