Tamerica TSL-2700 27" Roll Laminator

MARLTSL2700

The Tamerica TSL-2700 is a fast, easy to use roll laminator. This laminator features heated rollers that assure controlled, smooth even lamination without wrinkle or curl. This laminator uses film up to 27" wide, and delivers high quality lamination. The TSL-2700 is the easiest, safest, and most reliable roll laminator on the market.

Dual Temperature Control

Achieve a flawless lamination finish with heated rollers and two pre-set temperature options, perfectly calibrated for 1.5mil and 3mil film thicknesses.
