Preferred Packaging PP1622MK Semi-Automatic

MASHEXCELPP1622MK

The first fully adjustable combination L-Sealer with attached shrink tunnel including the latest “Micro-Knife” Technology – No more seal wires to replace! The L-Sealer mounted on linear bearing easily moves forward or backward to center product into Tunnel discharge conveyor on L-Sealer and also adjusts up or down.

Easy Operation

Create professional wraps in a quick and easy fashion. Ideal for the office environment. Provides you with a way to create durable and attractive bound presentations & reports.
