SW 7650 Heavy Duty Power Punch

MASW7650

The SW 7650 Heavy Duty Punch is exclusive to Southwest, this machine is a hybrid of the 7000 and 7700. It has the same motor capacity as the 7700 with the simplified front of the 7000. Compatible with all 7700 dies. Rated up to 55 sheets (based on 20 lbs bond) The 7650 was designed with the operator in mind, offering quick, easy set-up including easy pin pulls and pre-set paper stop positions. This is the perfect punching solution for mid to high volume commercial and corporate use.

Automatic and Manual Reverse

Our new Overload Detection Feature triggers an auto reversing function to reduce jamming in the punch. Providing extra insurance to reduce costly down time & expensive service calls due to overload jams.
