Unibinder 120

MATHUB120

The UniBinder 120 is an easy to use binding machine for any office use. It combines the traditional and proven Unibind Resin SteelBinding with a newly developed crimping element. Bind, crimp and cool in seconds with one machine. 4 documents can be bound at once no warm up time required. This maintenance free machine is ideal for any office environment.

Crimp

Crimping will adjust the metal cover spine to the thickness of your document to ensure perfect binding every time.
