## **Vertical Manual Wire Closer WBM532**

MAWIWBM532

The Akiles WBM532 modular wire closer is a heavy duty manual closer that is designed for use with your electric wire binding punch. This system is capable of closing all standard binding wires from 1/4" up to 1-1/4" in diameter. It can be used with 3:1 pitch, 2:1 pitch and special 9/16" pitch spiral-o wire spines. Plus, it has a 14" closing throat that is perfect for handling letter or legal documents. The WBM532 is simple to use, highly durable and can help you to increase productivity and durability.

### **Wire Closer Control**

The Akiles WBM532 modular wire closer provides fast & accurate setup of the wire closer. Gradual adjustment guarantees a perfect wire closing result, regardless of the type of wire being used.
