WireMac Combo 3:1

MAWIWIREMAC3

The Akiles WireMac Manual Wire Binding Machine renders efficiency and productivity. Its full range of functions and state of the art mechanisms were especially designed with one goal in mind: to fully meet the needs of the wire binding industry. This 3:1 pitch machine is all metal construction, fully disengageable dies, a convenient wire hanger and a sturdy wire closer.

Die Disengagement Pins

All dies can be independently disengaged, allows punching of any size document while preventing partial side-end perforation
