## **Erso 3006 Automatic Electric** MBCS3006FB

The ERSO 3006 FB Automatic electric full Bleed business card slitter is designed to cut down business cards with full bleeds from a 30-up format with gutters in between each of the cards. This model allows you to produce 30 full color 2" x 3.5" business cards from a 13" x 19" sheet with a simple two-pass operation. First pass cuts a 13" x 19" sheet into five strips with a 1/8" gutter in between the strips and then second pass cross cuts these 5 strips down to finished 2" x 3.5" cards with a 1/8" gutter in between the cards.

### **Self Sharpening Blades**

The semi-self sharpening cutting blades ensure years of operation without sharpening or replacement.
