Rollblade 36" Rototrimmer

MIROLLABLADE36

The Akiles Roll@Blade 36" is carefully designed with self-sharpening tungsten steel blade and premium quality components to guarantee an effortless and professional trim, as well as many years of trouble free service. The ergonomic metal blade carriage comfortably fits your hand while safely keeps the blade out of reach. The trimmer includes a side guide with adjustable depth gauge, and extra wide work table with a grid ruler table in both standard and metric systems.

Easy to Use

The Akiles Roll@Blade can trim materials up to 2mm thick and is ideal for cutting paper and laminated sheets.
