Plastikoil Binding

Wire-O Binding

Plastic Binding

Binding Materials

Plastikoil Binding:

Plastikoil binding is a continuous plastic that winds through punched holes. The soft plastic koil will bend but never crack. Plastikoil books lay flat, stay flat & turn a full 360 degrees. Plastikoil swings back into shape. Looks great on calendars, cookbooks, instruction manuals and more.

For Custom Legal Size Binders call Southwest today!

Castilian

Castilian upgrades the look and feel of any binder, portfolio or certificate holder. Castilian has a rich soft feel that can be foil stamped or debossed with exceptional results. Call us today for a free sample.

Small Format Binders

Perfect for reference manuals, price lists and rate books. 3-Ring Binders for 8-1/2 x 5-1/2 or 9-1/2 x 6 sheet sizes are available with metals that have double opening and closing boosters in capacities from 1/2" to 2-1/2".

Features:

- Available in all of our vinyl colour and grain combinations
- Other sheet sizes and capacities are available.

Audit Binders

Legal size Pressboard binders with 3/4" end tab and elastic closer.
3 Round Ring metals.

Any colour
Any Size

Landscape Products

These binders are made for projects requiring landscape documents, with the rings mounted on the short side of the page. Vinyl and polyethylene materials are available. Rings mounted on 11" side of 11" x 17" paper.

Custom Binders

Casemade Binders

Heavy duty cloth binders are glued onto heavy duty board for that indestructible feel and look. Available in all sizes and styles. Let our experts guide you in the development of reproduced graphics in the colours or combinations that you desire.

To complete your custom binder, ensure that your selection of tabs compliment your style and taste.

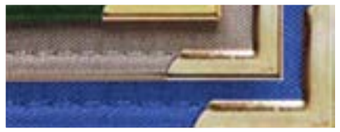
Offset Printed Binders

An economical alternative, our .015 gauge pressboard binders are available in several styles, and colours. Standard with choice of fastener:

- Ring metals from 1/2" to 2" capacities or spring action fastener for holding unpunched pages, or Expandable 2-hole paper prong fastener for larger capacity

Stitched Binders

Have the look of leather for 1/3 of the price. Heavy duty supported vinyl with stitched edging, brass or nickel corners. Available in all sizes and styles.



Industrial Poly Binders

High quality polyethylene is a lightweight, yet extremely durable material. Poly will resist grease, scuff marks and can withstand high or low temperatures.

Custom Binders

Expandable Post Binders

Expandable post binders from Southwest enable you to easily add pages as your needs grow. Just expand the spine for over 50% more space. Post binders give you the choice of fixed or expandable construction, in capacities from 1" to 4". Customized your binder by printing your company logo.

Binder Sheet Lifters

Binder Sheet lifters keep pages in the center of your Southwest 3 ring binder when it closes and prevent tearing and damage to your documents.

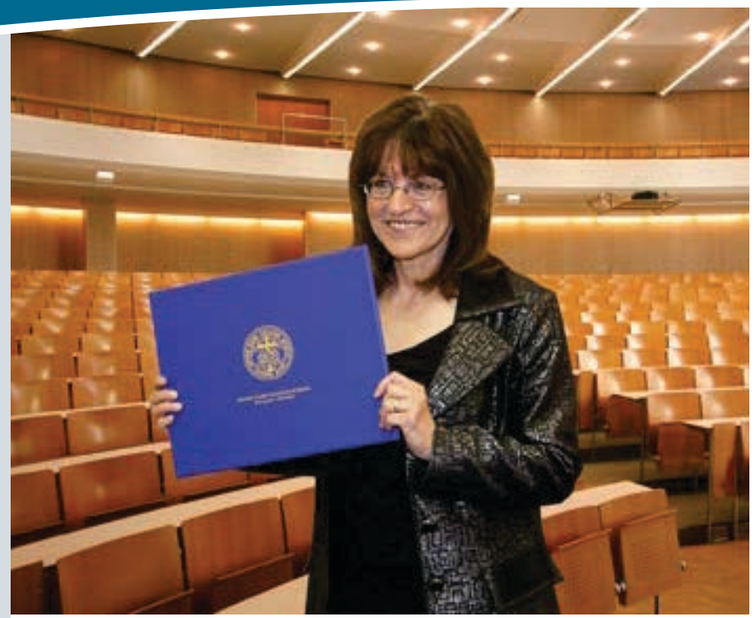
Binder Cartons

Need to ship single binders? We have the solution for you. Our binder cartons are designed especially for ring binders. Ships flat; just fold and tape. Southwest Bindings stocks individual shipping boxes for 1", 1-1/2", 2 and 3" binders. Prevent your binders from being damaged, call or e-mail us today.

Adhesive on Pockets

Stick on pockets are clear vinyl holders for labels, business cards and pages. They are pressure-sensitive to adhere to vinyl paper surface, or any other material.

Diploma Holders



Diploma Holders
Choose from an assortment of colours and sizes.

Size
Standard: 11″x 8-1/2″

Custom: any size, and any style can be manufactured up to 12″x 12″

Finishings

Custom Imprinting

Give all your documents the attention they deserve with custom printing from Southwest

Embossing and Debossing
Embossing raises your company name or logo and debossing pushes in your company name or logo. These finishes can be added to your Report Covers, Unibind Covers, Vinyl Products and Binders.

Foil Stamping
Foil Stamping adds colour and shine. You can combine foil stamping with debossing to add an extra detail to your Report Covers, Plastic Comb Bindings, Unibind Covers, Vinyl Products, and Binders.

Offset Printing
Offset print your presentation products in either black or coloured ink.

Silk Screening
Southwest can silkscreen Plastic Comb Bindings, Report Covers, Press Snaps, Clamps, Unibind Covers and Vinyl Products. Let your presentation products stand out from the rest!

Photo Books

Fastback & Fastbind Binding System

Bind "Photo Books" in-house with the highest precision and impress your clients, prospects, family and friends. You can even create your own personalized front/back cover with the Fastbind Hard Cover Guide.

Unibind Photobooks

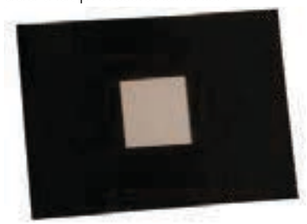
Unibind Photobooks only take seconds to put together and have the same durability you have come to expect from Unibind Products.

Fastback Hard Cover Guide

The Fastback hard cover guide lets anyone make professional quality hardcover photobooks in just seconds. The Fastback Hardcovers are designed with the adhesive built in, eliminating messy glue pots.

Spring Lock Photobooks

If you have a stapler, you can make your own Photobook by using our Spring Lock Photobooks. These covers are reusable, editable and come in black leather look material. They are also customizable with Foil Stamping. Use for Photos or for Presentations to add that professional finish.



Lamination

Laminating Film Rolls

- Guaranteed to work in all makes and models of laminators
- Laminating film is available in 1.5mil, 1.8mil, 3mil, 5mil and 10mil thickness
- Variety of widths: 9" to 55"
- Core sizes of: 1", 2-1/4", 3"

Laminating Pouches

Laminating pouches offer a quick and easy solution for giving your documents added durability and an added professional touch. Our inventory ranges from our smallest laminating pouches 2-1/8 x 3-3/8 (credit card size), to our largest laminating pouch 12x18. Most sizes have a variety of thicknesses to choose from.

Stock and Custom Finishes

- Southwest stocks velvet touch scuff resistant film in both 1" and 3" cores
- Sandtex, Canvas, OPP, Matte-Sand (Pebble), Print Pro-Gloss, and White and Clear mount also available.
- Call for a full list of custom lamination finishes available.

Foam Core Mounting Boards

Foam Core Mounting Boards are great for mounting signs, images and information making them sturdy and long lasting while still keeping them light.

Promotional Items

Southwest has thousands of promotional items to fit every theme and budget. Below are just a few examples. All of our products can be customized with a variety of finishes.
