

SOUTHWEST BUSINESS PRODUCTS LTD.

From Bindings to Branding

BUSINESS CARD CUTTERS

Business card systems are used to create cards on demand. Choose from a variety of different makes and models.

Southwest helps you by taking in your used equipment as a trade-in towards the purchase of brand new equipment

Interested in upgrading to new equipment, but you're not sure what to do with your existing one? Do you have equipment lying around that you are no longer using? Want to save even more money on the purchase of new equipment?

We will consider all trade-ins regardless of what you are buying. Looking for a new laminator, but need to clear out space by removing the binding equipment you are no longer using?

We can take care of that for you.
