— From Bindings to Branding —

FASTBIND AND CASEMADE BINDING MACHINES

Fastbind equipment enables you to create custom soft cover or hard cover photobooks.

Southwest helps you by taking in your used equipment as a trade-in towards the purchase of brand new equipment

Interested in upgrading to new equipment, but you're not sure what to do with your existing one? Do you have equipment lying around that you are no longer using? Want to save even more money on the purchase of new equipment?

We will consider all trade-ins regardless of what you are buying. Looking for a new laminator, but need to clear out space by removing the binding equipment you are no longer using?

We can take care of that for you.

■ Precision Side Staple Binding

Fastbind BooXTer Duo allows you to side-staple the book or album content in a clean, regular and consistent way. The stapling process makes it possible to bind most materials, including non-paper ones.

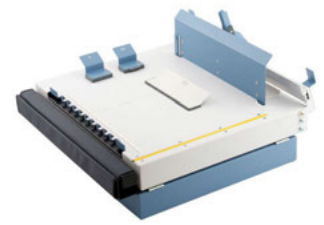

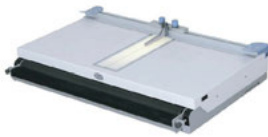

■ Transparent Staple Window

A transparent window offers an optimum view to the illuminated stapled area. The positioning deck and the adjustable back support ensure perfect alignment every time; the stapling distance is optimized for best results.
