

SOUTHWEST BUSINESS PRODUCTS LTD.

From Bindings to Branding

FOLDERS

Tired of folding letters, invoices and statements by hand? Paper folders are designed to make your life easier.

Southwest helps you by taking in your used equipment as a trade-in towards the purchase of brand new equipment

Interested in upgrading to new equipment, but you're not sure what to do with your existing one? Do you have equipment lying around that you are no longer using? Want to save even more money on the purchase of new equipment?

We will consider all trade-ins regardless of what you are buying. Looking for a new laminator, but need to clear out space by removing the binding equipment you are no longer using?

We can take care of that for you.

■ Quick and Easy Diagnostics

Diagnostics mode for quick and easy trouble shooting and setup with 7 sensors (model MY2051).

■ Fold Guide

Clearly marked fold settings and simple out-of-the-box operation make this folder ideal for users who demand quick and easy set-up (model FD 300).

■ Variable Speed Auto in Folder

Variable speed ranges from 5,000 to 12,000 sheets per hour (model MY2051).

■ Fold Plates

Pre-marked with four common fold settings – letter, zig-zag, half and double parallel. Can be easily adjusted for custom folds (model FD 314).

■ Quick Release Rollers

The quick release rollers make regular maintenance and cleaning easy (model 208J).

■ Extended Exit Tray

An extra-long exit tray ensures neat stacking of finished jobs (models 98M, 208J, 408A).

■ Double Feed Detection

The double feed detection sensor prevents mis-folded papers being contaminated to outputs (model 408A).

■ Paper Sizes and Weights

Sheet sizes from 2½" x 5¼" to 12" x 18" and paper weights from 18lb bond to 90lb index (model MY2051).

Double Feed Detection

The double feed detection sensor prevents mis-folded papers being contaminated to outputs (model 508A).

Optional C-Fold Kit

Creates C-folded documents without inserting into an envelope, ideal for brochures and marketing pieces (model FD 6104).

Enclosed Turbine Blower

The low-maintenance blower on the 352S does not require filter changes and is fully enclosed for quiet operation (model MBM 352S).

Memory Keys

The touch panel sets up 6 standard folds at the touch of a button. Up to 30 custom folds can be stored in memory (model MBM 1800S).
