

SOUTHWEST BUSINESS PRODUCTS LTD.

From Bindings to Branding

PADDERS & STACK WAGONS

Stack wagons and padders increase efficiency of any print shop and are ideal space savers.

Southwest helps you by taking in your used equipment as a trade-in towards the purchase of brand new equipment

Interested in upgrading to new equipment, but you're not sure what to do with your existing one? Do you have equipment lying around that you are no longer using? Want to save even more money on the purchase of new equipment?

We will consider all trade-ins regardless of what you are buying. Looking for a new laminator, but need to clear out space by removing the binding equipment you are no longer using?

We can take care of that for you.

■ Easy Hand Operation

Wing screws can be tightened by hand so no tools are required for assembly and usage (J1811 and J1824 Jiffy Giant models).

■ Designed for High Paper Stacks

The J1824 is designed for padding extra tall stacks as high as 19.75" to easily make carbonless forms, note pads and scratch pads (J1824 model).

■ Operate from a single position

The convenient turn style base of the Handy-Padder allows the operator to load, clamp and pad from a single position (Handy-Padder model).

■ 360° Swivel Base

The economical and easy to use W175 Ultra II has a 360 degree swivel base for high production without having to lift the load (W175 Ultra II model).

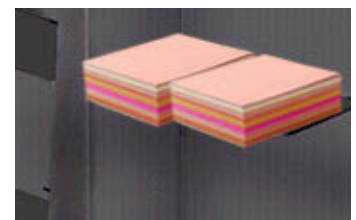

■ Smart Design

Integral shelves store all your padding equipment and double as a spill apron to catch excess padding compound (Paddy Wagon model).

■ Keeping Stock Square

Inward slant on each shelf keeps your stock tight to the corner for a square stack - even when moving between locations (Handy-Cart models).

■ Convenient Stock Handling

Locate your Pak-Rak or Handy-Cart near your equipment for easy stock handling before and after each process.
