

SOUTHWEST BUSINESS PRODUCTS LTD.

From Bindings to Branding

PAPER DRILLS

Nine different makes and models that can handle your print finishing needs.

Southwest helps you by taking in your used equipment as a trade-in towards the purchase of brand new equipment

Interested in upgrading to new equipment, but you're not sure what to do with your existing one? Do you have equipment lying around that you are no longer using? Want to save even more money on the purchase of new equipment?

We will consider all trade-ins regardless of what you are buying. Looking for a new laminator, but need to clear out space by removing the binding equipment you are no longer using?

We can take care of that for you.

Paper Drill Accessories

Drill Sharpener

Use the Lassco Wizer MS-1 Precision manual drill sharpener to re-sharpen all of your drill bits. This heavy duty drill sharpener makes it easy, fast, and reliable to re-sharpen your dull paper drill bits. Equipped with suction feet for ease of use, remove them to mount the drill sharpener anywhere in your production environment.

Drill Bits

All our drill bits are made with a high standard of craftsmanship that provides high-temperature strength and wear resistance, for professional results that will help you save both time and money.

Wax Sticks

This Lassco Wizer Drill-Ease Wax stick drill lubricant improves the use of any of your paper drilling machines by reducing friction and heat while drilling. This means a longer life for your machine and bits while providing smoother, faster production speeds

Drill Bit Lubricant

This Lassco Wizer Spin Eze drill bit lubricant works with any style paper drill bit to ensure clean, frictionless lubrication during operation. This Spin-Eze makes your job easier, quicker, and more productive by lubricating your paper drilling machine drill bits for reliable, prolonged, and easy use.
