

SOUTHWEST BUSINESS PRODUCTS LTD.

From Bindings to Branding

PLASTIC COIL COMBO MACHINES

Plastic coil binding machines create unique and attractive durable bound books.

Southwest helps you by taking in your used equipment as a trade-in towards the purchase of brand new equipment

Interested in upgrading to new equipment, but you're not sure what to do with your existing one? Do you have equipment lying around that you are no longer using? Want to save even more money on the purchase of new equipment?

We will consider all trade-ins regardless of what you are buying. Looking for a new laminator, but need to clear out space by removing the binding equipment you are no longer using?

We can take care of that for you.

Coil Diameter Selector

Built in coil diameter selector help verify and determine the proper coil size per punch job.

Oval Punch for Easy Coil Insertion

Larger oval shaped punch pins can improve coil insertion time by up to 50%.

U-Shaped Channel

U-shaped alignment channel helps to conform the spine of larger diameter documents to the coils shape for faster and easier insertion.

Disengageable Pins

Disengageable pins allow for easy set up for any size of paper with clean punches.

Built in Crimpers

User friendly control panel with LCD Display guide users through the binding process.

Dual Powered Roller

Electric top roller works with passive bottom roller to easily feed coil through punch holes.
