

SOUTHWEST BUSINESS PRODUCTS LTD.

— From Bindings to Branding —

SHREDDERS

Shredders are used to destroy confidential information and provide additional security to any workplace.

Southwest helps you by taking in your used equipment as a trade-in towards the purchase of brand new equipment

Interested in upgrading to new equipment, but you're not sure what to do with your existing one? Do you have equipment lying around that you are no longer using? Want to save even more money on the purchase of new equipment?

We will consider all trade-ins regardless of what you are buying. Looking for a new laminator, but need to clear out space by removing the binding equipment you are no longer using?

We can take care of that for you.
