Printing customized tabs has never been easier using Southwest's tab generator tool!

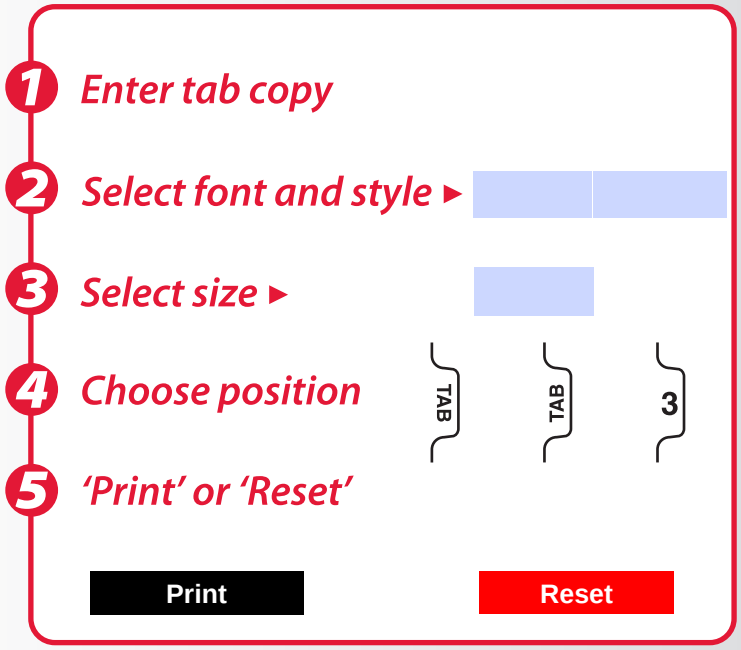
1. **Enter tab copy** *into1st tab, enter 'Tab' on your keyboard, continue...*

2. **Select font,** Helvetica *or* Times
   Select font style, Regular**, Bold,** *Italic or* ***Bold Italic***

3. **Select font size,** 8 point to 18 pt

4. **Choose text position,** *feet in* TAB, *feet out* TAB, *or vertical* 3

5. **Click on 'Print' or 'Reset'** *to clear your tabs and start again*
   HINT: *In your print menu, choose 5 copies per set. For example, one set of 5th cut tabs would be 5 copies. Ten sets of 5th cut tabs would be 50 copies.*



That's it! Printing basic customized tabs is a snap!

If your tab requirements are more complex, please contact Southwest

We'll be happy to create your tabs for you in a wide variety of sizes, from 2nd cut to 32nd cut.
You may choose mylar colours, reinforced edges, drilled holes, fonts and ink colours.
